Español I – Capítulo 5A – Presentación Oral Mi Familia

For show and tell you are to bring in pictures of three family members, other than yourself. You will describe each of them to the class. The information you share must include their relationship to you, their names, their ages, and a brief description, including their personality traits, one activity that they like to do, and one activity that they do with you. Please prepare and practice ahead of time

Objectives:

1. To use the vocabulary from Capítulo 5A to tell about our family
2. To revisit structure and vocabulary from previous chapters to tell about your family
3. To use the verbs ser and tener to describe each family member's personality traits and age
4. To use le gusta to tell at least 1 thing each family member likes to do
5. To use regular -ar, -er, & -ir verbs to tell at least one thing that each family member does with you
6. To learn about each other's families
7. To improve our pronunciation and fluency in speaking Spanish
